The **Women's Distance Festival** was created by the Road Runners Club of America in 1979 to bring attention to the lack of women's distance running events in the **Olympic Games**. Today, WDF events nationwide commemorate the history of a **woman's right** to participate in running events of any distance and at any age. **Delco RRC** has been hosting the **WDF** since 1980, encouraging women at all stages of their lives to take the time for **personal fitness**.

For the first time, we'll be supporting Philly Girls in Motion, which is a volunteer driven organization that engages girls in activities that

encourage fitness and good nutrition. In turn, the organization supports healthy body image, confidence and good decision making processes. Additionally, proceeds will help **Delco RRC** in its efforts to **promote running for fun and fitness**, including the Cross Country Championships and the Junior Development Track Meet for students.

As always, special thanks to **our sponsors**.
